Hee Haw, we are on the trail again!!!!!!!

There was a great turn out of twenty five riders for Aldergrove Chapter's Annual Cordial Ride. From refined Arabs, to the fuzzy well rounded Percheron crosses, and we can't forget the floppy eared reliable Mules. With riders of all styles we left the parking lot at high noon, in Campbell Valley, to ride the park, and taken in the great trail and view, of the new development called "High Point".

Our lead riders for the day were Peter and Cheryl, with Brian and Dan being our drags, thank you to our organizers, and co-operation of the whole group. Kelly was our gracious photographer of the day. Our smiles proof of whether you ride the Back Country, or ride our local park, the people you are with, and the care in which the ride was taken, made to be a great day!

With warm hearts, a fire burning, sipping homemade and bought wine, we settled down for a potluck at Jim and Marilyn's, our hosts for the evening.

Thanks to all, Susan
